Vision, Mission and Objectives

Vision

Achieving Educational Excellence through Holistic and Conducive Knowledge Ecology

Mission

To make Goa a premier state of excellence in Higher Educational policy, planning & administration by vigorously promoting advanced level of Learning, Research & Capacity Building in Regional, National and Global context.

Aims and Objective

- To take appropriate measures for promoting innovations and quality in teaching - learning, inter-disciplinary studies and research for under-graduate and post-graduate education.
- To establish and promote collaboration with industries and scientific institutions so as to bridge the gap between educational output and industry demand.
- To strive to continuously increase the Gross Enrollment Ratio (GER) in Higher Education.
- To provide greater opportunities of Higher education to under-privileged sections of the society and women, particularly in rural areas.
- Excel as a hub of higher education that attracts students all over the country and across the globe.
- Channelize resources to provide accessible and affordable education to all across all sections of the society.
- To encourage, train and facilitate to practice technology enhanced teaching, learning and research with focus on excellence and innovation.
- To assist Colleges & Universities to prepare & finalize dynamic long term institutional plan for promotion of Higher Education.
- To create conducive environment in Colleges & Universities for Knowledge Generation through improved Research facilities and preparing project proposals for funding by industry/research bodies.

The background features a stack of books in yellow, purple, and brown. In the foreground, a white diploma is rolled up with a red ribbon. Above the books, a white graduation cap (mortarboard) is visible, with a tassel hanging down. The text is overlaid on this background.
