Departments of English, French, Hindi, Konkani, Marathi and Portuguese.
- (B) **Faculty of Social Sciences**
Departments of Economics, History, Philosophy, Political Science and Sociology.
- (C) **Faculty of Natural Sciences**
Departments of Chemistry, Computer Science, Earth Science, Mathematics and Physics including Electronics.
- (D) **Faculty of Life Sciences and Environment**
Departments of Botany, Marine Biotechnology, Marine Science, Microbiology and Zoology.
- (E) **Faculty of Commerce**
Department of Commerce.

OB-10.3 The procedure and conditions for admission to the MA, M.Sc. and M.com. programmes and the rules governing (a) reservation of seats in each Department, (b) cut-off point and merit list, (c) registration and payment of fees are given in separate Ordinances.

OB-10.4 The minimum duration for the degree programme of M.A., M.Sc. and M.Com. shall be four Semester spread over two academic years.

OB-10.5 (effective from 7th August, 2001) The instructional scheme for M.A. M.Sc. and M.Com. Degree programmes is based on a system of integrated units called courses.

There are three types of courses:

(1) Compulsory Courses: These are eight in number and compulsory for all the students in a given programme, except for M.Com. where these shall be thirteen.

(2) Optional Courses: These are eight in number and are to be opted for by the students, except in M.Com. programme where these are two in number. A student may opt for not more than **four**¹ optional courses from Department(s)/ Institution(s) other than the one in which he or she is enrolled.

(3) Dissertation: In lieu of two Optional courses a student may be permitted by the Departmental Council to submit a dissertation. The modalities governing the preparation and sub-mission of the dissertation are given in OB 10.19.

(i) Each Compulsory and Optional Course consists of 46-50 hours of instruction, hereafter called Contact Hours (CH). Four credits are assigned to each course, and eight credits (in M.Com., 20 credits) are assigned to the dissertation. A minimum of 64 credits (in M.Com., 80 credits) has to be obtained by a candidate to qualify for the award of Master's degree in the subject.

(ii) A student registered at a university/institute other than Goa University may be permitted to take courses offered by a Department and to transfer the credits so earned to the university/ institute at which he/she is formally registered. The Departmental Council shall have the authority and responsibility in the matter of the transfer of credits.

¹ Corrigendum vide letter No. GU/II/3-3/Amend-Ord/2000/Vol.V/2384 dated 9-8-2001

OB-10.6 Each Compulsory and Optional course consists of 46-50 hours of instruction, hereafter called Contact Hours (CH). Four credits are assigned to each course, and eight credits are assigned to the dissertation. A minimum of 64 credits (in M.com. 80 credits) has to be obtained by a candidate to qualify for the award of master's degree in the subject.

OB-10.7 A course offered by one Department may be recognized as an equivalent course by another Department provided it is approved as such by the Board of Studies in the respective subject.

OB-10.8 The teaching of both Compulsory and Optional Courses will be started and completed within a given semester as per the instructional time-table to be drawn by each Department (or related Departments) at the beginning of each semester.

OB-10.9 There shall be four Contact Hours (lectures, tutorials, etc.) per course per week in subjects without laboratory work. In the case of courses involving laboratory work/field-work, the number of Contact Hours (lectures, tutorials, practicals, etc.) will be so adjusted that the spirit of OB-10.6 is maintained. Three hours of practical work in laboratory/field work for Compulsory or Optional Courses shall be treated as equivalent to one contact Hour in Class room. Courses which combine both theoretical and practical contents shall have the same number of credits as given in OB-10.6.

OB-10.10 Ordinarily one teacher will teach an entire course, unless the course has been prepared by two or more teachers to meet intra- or inter-disciplinary requirements.

OB-10.11 There shall be a departmental Council for each Department consisting of all the teachers in the Department. The Head of the Department shall be the Chairperson of the Departmental Council, which will normally meet once in a month to discuss the teaching, research and allied programmes in the Department. One of the members of the Council shall be nominated by the Chairperson as the Member-Secretary for a period of not more than one academic year at a time. The Member Secretary shall record and maintain the minutes of the meetings of the Departmental Council.

OB-10.12 (i) The teaches of a Department shall prepare/draft courses giving details of syllabi and course material, and place them before the Departmental Council for consideration and recommendation to the Board of Studies. These courses shall then be placed before the Board of Studies in the subject for its recommendation to the Academic Council.

(ii) Inter-disciplinary courses proposed by different Departments shall be discussed at joint meetings of the concerned Departmental Councils, and when approved, they shall be placed before the Boards of Studies of the concerned subjects for approval.

(iii) Courses offered at institutions outside the jurisdiction of Goa University when taken by students of a Department may be approved provisionally by the Departmental Council and placed for ratification before the Board of Studies at its next meeting. Credits accruing from such courses shall not exceed eight.

(iv) Only courses as approved under this Ordinance shall be offered by the Department/s.

OB-10.13 Evaluation

Assessment of the performance of the students in Optional and Compulsory courses shall be as follows:

(A) Optional Courses

(i) Ordinarily a teacher who teaches a particular optional course or part thereof shall assess the performance of the students in that course. Guest faculty, when teaching a course or part thereof, shall assess the performance of the students in that course in consultation with a teacher appointed for that purpose by the Departmental Council.

(ii) The ISA and SEA components of all Optional courses shall carry a maximum of 50 marks each. Given below is a model scheme of assessment for the optional courses. However, the Departmental Council shall decide [a] the allotment of marks under different heads within ISA and SEA components, and [b] the modality of the conduct of assessment under ISA and SEA.

Suggested Model:

Intra Semester Assessment (ISA) (Marks:50)

Consisting of

[a] Test(s): Written/Oral, Scheduled/Surprise

[b] Assignments(s)/Exercise(s)

[c] Seminar(s)

[d] Experimental work/Field work*

Semester End Assessment (SEA) (Marks: 50) consisting of

[a] A comprehensive written test, or

[b] A comprehensive laboratory course examination/fieldwork report assessment,*or

[c] A combination of a comprehensive written test and laboratory course examination/fieldwork report assessment.*

Note: * This is applicable to courses with partial or total laboratory work/fieldwork.

(iii) The scheme of assessment for each Optional course shall be displayed on the notice board of the Department at the beginning of the Semester.

(B) Compulsory courses:

(i) The ISA and SEA components of all Compulsory courses shall carry a maximum of 50 marks each. In courses which have both theory and laboratory components, the written examination of the theory component of SEA shall carry marks proportionate to the contact hours/credits allotted to that component.

(ii) Ordinarily a teacher who teaches a particular Compulsory course or part thereof shall assess the performance of the students as regards the ISA component of that course. Guest faculty, when teaching a course or part thereof, shall conduct such assessment in consultation with a teacher appointed for that purpose by the Departmental Council.

(iii) Given below is a model scheme of ISA for the Compulsory courses. However, the Departmental Council shall decide [a] the allotment of marks under different heads within ISA component, and [b] the modality of the conduct of assessment under ISA.

Suggested Model:

Intra Semester Assessment (ISA) (Marks: 50) consisting of

[a] Test(s): Written / oral, Scheduled / Surprise

[b] Assignment(s) / Exercise(s)

- [c] Seminar (s)
- [d] Experimental work / Field work*

Semester End Assessment (SEA) (Marks:50) consisting of

- [a] A comprehensive written test, or
- [b] A comprehensive laboratory course examination / fieldwork report assessment, * or
- [c] A combination of a comprehensive written test and laboratory course examination / fieldwork report assessment.*

Note: * This is applicable to courses with partial or total laboratory work/ fieldwork.

(iv) **(effective from 18th July, 2005)** Paper Setting of the SEA component of the Compulsory Course (s) shall be done by the External and Internal Examiners. The question paper(s) set by the External Examiner shall be scrutinised by the Internal Examiner who shall ensure that proper weightage is accorded in terms of marks vis-a-vis the topics in the prescribed syllabus and the same is taken into consideration while setting / framing the questions and that no part thereof is outside the prescribed syllabus.

In case the questions / question paper (s) are not received from the External Examiner in time, the Internal Examiner shall set the question paper(s). The final sets of question paper(s) shall be submitted by the Internal Examiner to the Examination Section.

The assessment of answer scripts of the SEA component of the Compulsory Course(s) shall be carried out by the External / Internal Examiners, such that all the answer scripts of a given course are assessed by a single examiner i.e. the Internal or the External Examiner. Fifty percent of these courses shall be examined by the External Examiner(s) and the remaining by the Internal Examiner(s).

(v) Given below is a model scheme of SEA for the compulsory courses. However, the Board of studies shall recommend the modality for the conduct of assessment under SEA for the Compulsory courses.

Suggested model:

Semester End Assessment (SEA) (Maximum Marks: 50) consisting of

- [a] A comprehensive written examination, or
- [b] A comprehensive laboratory course examination / fieldwork report assessment,* or
- [c] A combination of written examination and laboratory course examination / fieldwork report assessment.*

Note: *This is applicable to courses with partial or total laboratory work / field-work.

(vi) The duration of all comprehensive written examinations carrying a maximum of 50 marks or less shall be two hours. The duration of all comprehensive laboratory course examination carrying a maximum of 50 marks or less shall be four-to-six hours. The duration of assessment of fieldwork shall not exceed one hour. The duration of all course work examination for courses having both theory and laboratory components shall be proportionate to the marks allotted to the requisite component.

(vii) The evaluation of a laboratory course work for compulsory courses shall be conducted by an external examiner assisted by an internal examiner.

(viii) The scheme of assessment for each Compulsory course shall be displayed on the notice board of the Department at the beginning of the Semester.

OB-10.14 Marks assigned to each component of ISA shall be announced and answer scripts/assignments etc. shown to the student/s concerned in the class room within 2 weeks of assessment. In case a student is not satisfied with the marks obtained by him, he may approach the teacher/s concerned regarding the same. However, if a student is still not satisfied, he is permitted to appeal to the Grievance Committee through the Head of the Department as given in OB-10.21.

OB-10.15(effective from 18th July, 2005) The teacher(s) shall submit the mark lists of all internal assessment of the Compulsory (ISA component) and the Optional (ISA and SEA components) courses, along with the assessed answer scripts / assignments / seminar papers and such other assessed matter, in sealed cover(s)/ labelled bundles, to the Head of the Department within fifteen days of the completion of the internal assessment components.

Head of Department after his / her scrutiny / verification and affixing of signature shall submit the mark lists to the Examination Section within two days of receipt of marks from all the concerned teacher(s).

The Head of Department may, if required, place the mark lists and other assessed material before the Departmental Council for scrutiny and approval within seven days of receipt of the marks. The Head of Department shall submit such marks to the Examination Section within two days of the Departmental Council meeting.

Marks lists along with the assessed answer scripts / assignments / seminar papers and such other assessed matter of the ISA and/or SEA, not endorsed/approved by the Head of the Department/Departmental Council, along with the observations / justifications, shall be sent to the Vice-Chancellor by the Head of Department within two days. The Vice-Chancellor in consultation with the Dean of the Faculty, the Controller of Examinations and the Registrar shall take appropriate action in the matter, which shall be binding on all concerned.

OB-10.16 (i) The result of the SEA shall be declared with eight weeks from the date of the conclusion of the examination.

(ii) No fractional marks, if any, shall be reflected in the marks-sheet submitted to the office of the Controller of Examination.

(iii) To be declared successful, a student has to pass the ISA, SEA and Dissertation (where applicable) components separately.

Models of the semester-wise flow charts of courses are given below. However, the Departmental Council shall be free to determine the number of Compulsory and / or Optional courses to be taught each semester.

(i) Model 1: For M.A. and M.Sc. programmes

Semester	No. of Courses		Dissertation
	Compulsory	optional	
Semester 1	2	2	--
Semester 2	2	2	--
Semester 3	2	2/1	To be done in Sem. 3 and 4
Semester 4	2	2/1	

(ii) Model 2: For M.Com. programme

Semester	No. of Courses
----------	----------------

	Compulsory	optional	Dissertation
Semester 1	5	--	--
Semester 2	5	--	--
Semester 3	3	2	Bases on Corporate
Semester 4	--	--	
Internship and Project Work			

(iii) The Optional Courses to be taught during a Semester shall be decided by the Departmental Council and announced before the commencement of the semester. (No change)

The Departmental Council shall decide the modalities of the repeat examination for the ISA component. Students who successfully complete the ISA but fail in SEA need to reappear for SEA in the next Semester. Students who fail in an Optional Course may either repeat the ISA and SEA that course or opt for a different Optional Course.

OB-10.17 (i) The semester-wise flow chart of courses (except for M.Com.) is as follows:

Semester	Number of Courses		
	Compulsory	Optional	Dissertation
Semester 1	2	2	---
Semester 2	2	2	---

(ii) For M.Com. the flow chart of courses is as follows:

Semester	Number of Courses		
	Compulsory	Optional	Dissertation
Semester 1	5	--	---
Semester 2	5	--	---
Semester 3	6	2	--
Semester 4	-		Based on Corporate Internship and Project Work

(iii) The Optional Courses to be taught during a Semester shall be decided by the Departmental Council, and announced before the commencement of the semester.

OB-10.18 There is no repeat examination for the ISA component. Students who fail in the ISA component have to repeat that course. Students who successfully complete the ISA but fail in SEA may be permitted to reappear for SEA in the next Semester for which appropriate fees will be charged. Students who fail in an Optional Course can either repeat that course or opt for a different Optional Course.

OB-10.19 Dissertation

(i) (a) The dissertation to be submitted by the students registered for M.A. and M.Sc. degree programmes shall carry a maximum of 200 marks. A student shall be permitted to write a dissertation only in the Third and Fourth Semesters of the programme.

(b) The dissertation to be submitted by the students registered for M.com. degree programme shall carry a maximum of 500 marks. A student shall be permitted to write a dissertation based on corporate internship and project work in the Fourth Semester of the programme.

(ii) The Departmental Council shall decide at the beginning of the academic year the modalities relating to the dissertations.

(iii) Topics for dissertations shall be finalized before the end of the second semester.

(iv) The Departmental Council shall ensure that ordinarily no topic is repeated for dissertation.

(v) The Departmental Council shall decide the number of students that a teacher can guide for writing dissertation. The work done by a teacher in guiding student/s shall be treated as the regular departmental teaching work.

(vi) The dissertation should generally include introduction, methodology, findings/discussion, summary/conclusions, notes and references, and bibliography.

(vii) The student shall declare, in the prescribed proforma, that the dissertation is his own work and that all the sources used by him are duly acknowledged.

(viii) The guiding teacher shall certify, in the prescribed proforma, that the dissertation is an original work of the candidate completed under his supervision.

(ix) The dissertation shall be evaluated as follows:

Mode of evaluation	Max. Marks	
	M.A./M.Sc.	M.Com.
1. Teacher guiding the student	60	150
2. Departmental Council (Evaluation of the presentation and defence by the student in the class)	40	100
3. External Examiner (to be appointed by the Vice-Chancellor from the panel of examiners approved by the Board of Studies)	100	250
Total	200	500

(x) Students shall submit their dissertations to the Head of the Departmental not later than sixteen weeks after the commencement of the Fourth Semester. Ordinarily, no student shall be allowed to submit the dissertation after the due date. However, for very special reasons the date of submission can be extended by a period of two weeks by the Head of the Department. In case a student fails to submit the dissertation before the prescribed date, he shall be permitted to submit the same during the following Semester.

(xi) The Head of the Department shall forward the dissertations to the Controller of Examinations, who shall send the same to the duly appointed examiners for evaluation.

(xii) Every student shall submit three copies of the dissertation to the Department in the prescribed format as under:

The size of paper: A4 (approximately 29 cm by 21 cms except for drawing graphs and maps, on which no restriction is placed. A margin of 2.5 cm. to be kept on the left hand side. OB-10.23 Preparation of Panels for Appointment as Examiners and Experts

(I) the Board of Studies in each subject shall prepare the following panels:

1. (a) Panel of examiners from outside the University to evaluate compulsory courses and dissertations.

The Chairperson, Departmental Council, shall invite and obtain information about the qualifications, fields of specialization and experience of teachers/research scientists working in institutions of higher learning/research, within and outside the jurisdiction of Goa University. This information, duly screened by the Departmental Council shall be forwarded to the Board of Studies in the subject for preparation of the panel of examiners to evaluate compulsory courses and dissertations.

2. Panel of experts to review answer scripts referred to by the Grievance Committee.

From the panel of examiners prepared for (1) above, the Board of Studies shall shortlist a minimum of five experts, to whom the answer scripts for revaluation, if any, may be referred to by the Grievance Committee. Experts so short-listed shall not be below the rank of a Reader or equivalent.

3. Panel of experts to conduct the Academic Audit.

(i) A panel of not less than ten experts shall be prepared by the Board of Studies to conduct the Academic Audit of the Department contemplated in OB 10.27. this panel shall also include the names of the external

members of the Board of Studies. This panel shall not include any person below the rank of a professor or equivalent.

(ii) The panels of examiners and experts so prepared shall be ordinarily valid for three years.

(iii) No person whose name is not in the panels prepared by the Board of Studies shall be appointed as an examiner and/or expert.

OB-10.24 (i) In this Ordinance, the word 'teacher' unless repugnant to the subject or context, shall mean a teacher in a University department or a college or an institution affiliated or recognized by this or any other statutory University.

(ii) The academic qualifications of the examiner must be in the subject/s concerned and of a statutory Indian university or foreign university of repute. Qualification for appointment of examiner in a subject at an examination shall be invariably the same, if not higher than those laid down by the University for appointment as a teacher in that subject for the examination.

OB-10.25 The Board of Studies shall not include in the panel of examiners and experts persons who have written guides, pamphlets of questions and answers, digests or who are coaching students privately in the subject of the examination for which the panels are prepared.

OB-10.26 Persons having the following relations appearing for an examination in a given subject will be considered ineligible for appointment as examiners and/or experts in the said examination: Father, Mother, Wife, Husband, Son, Daughter, Grandson, Granddaughter, Brother, Sister, Nephew, Niece, Uncle, Aunt, First cousin, Son-in-Law, Daughter-in-Law, Brother-in-Law and Sister-in-Law.

OB-10.27 Academic Audit

(iv) The conduct of Academic Audit by the AAC shall consist of the following:

1. To review question papers of the assessments held during the preceding academic year:
[a] to determine the adequacy of coverage of the syllabus, and [b] to determine the standard of questions in relation to the syllabus.
2. To review sample answer scripts to check for the objectivity and uniformity of assessment.
3. To scrutinize the record of ISA and SEA of the Optional courses and ISA of the Compulsory courses maintained by the Department to determine the suitability and adequacy of the method of assessment.
4. To evaluate and suggest remedial measures on the basis of feedback, if any, received from teachers and students.

OB-10.28 (effective from 14th July, 2005) The students seeking improvement of class/performance in the final M.A., M.Sc. and M. Com. Examinations should appear in all compulsory papers (Theory) in one appearance. This facility should be availed within two years from the date of candidate's passing the examinations. If there is no improvement or if there is reduction in the class/percentage the original results shall be retained.

OB-10.29 (Addendum to Ordinance effective from 5th June, 2012) Students enrolled under OB-10 who have to repeat the course under provision of OA- 17.3(v) and OB-10.18 and seek readmission shall be allowed to opt for the same course under OB-10(A). In case where the department has discontinued the course, or the course is available in odd/even semesters, the Departmental Council on approval of the Board of Studies shall make available an alternate course to the students in order to facilitate the completion of M.A./M.Sc./M.Com. Programme.

(Effective from 12th July, 2010) NEW ORDINANCE OB-10A FOR CREDIT-BASED MASTERS DEGREE PROGRAMMES

OB-10A.1 Ordinance governing the M.A., M.Sc. and M.Com. programmes of study conducted by the on-campus Departments of the Goa University in the faculties of Languages and Literature, Social Sciences, Natural Sciences, Life Sciences and Environment and Commerce, based on the Credit-based System of Instruction.

OB-10A.2 The ordinance is applicable to the students applying for admission in the on-campus Departments of Goa University.

OB-10A.3 The eligibility, procedure and conditions for admission to the MA, M.Sc. and M.Com. programmes and the rules governing (i) reservation of seats in each Department, (ii) cut-off percentage and merit list, (iii) registration and payment of fees are provided in separate Ordinances/notifications.

OB-10A.4 The instructional scheme for M.A. M.Sc., M.Com. degree programmes is based on a system of time-integrated units called credits. Every programme shall have not more than 40 credits of Compulsory Courses and adequate number of Optional Courses approved by Board of Studies in the concerned subjects.

OB-10A.4.1 One (1) Credit (Theory) shall be equivalent to 15 clock hours of contact teaching i.e. 1 Credit course shall be equal to one clock hour of teaching per week for a maximum of 15 weeks.

OB-10A.4.2 One (1) Credit (Practicals) shall be equivalent to 45 clock hours of contact teaching for example 15 practicals of 3 clock hours duration each or 9 practicals of 5 hours duration each.

OB-10A.4.3 A student shall be eligible for the award of Master's Degree on successful completion of 80 Credits. A student is permitted to obtain additional credits. The degree/final grade shall be awarded/computed based on his/her best performance in the minimum number of credits required for the award of the Masters degree. Additional credits, if any, shall be depicted in the final transcript/mark sheet.

OB-10A.4.4 The distribution of Credits between theory and practical/laboratory courses shall be in the ratio of upto 3 : 1 i.e. at least upto 20 Credits out of 80 shall be assigned to the Laboratory/Practical courses.

OB-10A.4.5 The tutorial could be a lecture/seminar presentation/group discussion/interactive sessions as per the nature of the courses and shall be treated equivalent to a practical.

OB-10A.4.6 A student must obtain 60 credits from the parent Department (i.e. specific degree for which the student is registered) and not more than 40 credits shall be from the Compulsory Courses offered by

the parent Department. The remaining 20 credits may be earned by the student by opting for courses either from the parent Department or from any other Department of the University. These courses shall be referred to as Optional Courses.

OB-10A.4.7 The 20 credits of Optional Courses may also be opted from other Universities/recognised Research Institutes in India and abroad on fulfilling the pre-requisite conditions/academic modalities as prescribed and approved by the joint Board of Studies/Departmental Council or equivalent academic body of the concerned universities.

OB-10A.4.8 Permission to transfer Credits may be allowed on a case to case basis, only in the case of institutions outside the Goa University, following the credit recognition procedure. Such courses, when opted for by the students of a Department, may be approved provisionally by the Departmental Council and placed for ratification before the Board of Studies at its subsequent meeting.

OB-10A.4.9 Each Department shall identify the Compulsory Courses available to students during a Semester, prior to registration of the student. The department shall also have adequate Optional Courses in case the students desire to obtain all credits from the parent department.

OB-10A.4.10 Minimum number of students for an Optional Course shall be not less than five. In case there are less than five students for a Course, Vice-Chancellor's permission shall be obtained before the commencement of teaching for the said course.

OB-10A.4.11 The courses shall consist of 6, 5, 4, 3, 2 or 1 Credit/s, both theory and practicals/laboratory courses.

OB-10A.5 The Departmental Council shall be responsible for the proper implementation and conduct of the Credit-based Masters Degree Programme/s.

OB-10A.5.1 Ordinarily one teacher will teach an entire course, unless the course requires more than one teacher to meet intra- or inter-disciplinary requirements.

OB-10A.5.2 The teachers of a Department shall prepare/draft courses giving details of syllabii and course material, and place them before the Departmental Council for consideration and recommendation to the Board of Studies. These courses shall then be placed before the Board of Studies in the subject, for its recommendation and onward transmission to the Academic Council for final approval.

OB-10A.5.3 The syllabus of a course shall depict modular distribution of topics/units, preferably each module should conform to 4 or 5 hours/week of teaching (depending upon the credit or marks weightage of the course) and may consist of unitised syllabus, each unit be designed considering both the teaching time and the marks allotted.

OB-10A.5.4 The courses shall be designed with a hierarchical structure indicating the complexity levels and shall be prefixed with numbers as: 100-, 200-, 300-, 400- level courses. The numbers do not necessarily represent the semester(s). The Board of Studies/Departmental Council shall identify the pre-requisite courses for the advanced level courses.

OB-10A.6 The assessment of all courses shall comprise continuous intra-semester assessment (ISA) and semester-end assessment (SEA) and shall be fully internal.

OB-10A.6.1 Each teacher of the concerned course shall be the examiner for the portion s/he has taught.

OB-10A.6.2 The continuous assessment shall be in the form of a test which may be Written/Oral, Scheduled/Surprise. The nature of the assessments/test may be objective/multiple-choice, short-answer-type, essay-type, seminar, assignment, experimental-work, field-work, viva-voce or as prescribed by the Board of Studies/Departmental Council. All assessments/tests/examination papers for the continuous assessment shall have no internal choice in a question paper. It shall be ensured that module/s of the syllabus taught is/are reflected in the question paper and there is a rational distribution of marks vis-à-vis the teaching time of the module/s.

OB-10A.6.3 A course shall have a 'single passing-head' based on the combined performance at the continuous ISA and SEA. Fractional marks shall be rounded off to the nearest integer only at the time of calculating the course grade.

OB-10A.6.4 Departmental Council shall specify the structure and mode of evaluation including the nature of question papers of continuous ISA as well as SEA.

OB-10A.6.5 The Departmental Council shall constitute a Departmental Examination Committee (DEC) to monitor the conduct of the continuous ISA and SEA.

OB-10A.6.6 The course outline/session plan for each course offered during the semester shall be submitted by the teacher / instructor to the Departmental Council before the commencement of teaching of the said course. The course-wise time-table of internal assessment shall be displayed at the beginning of each semester. Every teacher shall submit to DEC the question paper of the test and the marks assigned within three days after the conduct of the internal assessment test. The result of each test shall be displayed on the Notice Board and the corrected/assessed answer script/s shall be shown to the candidate/s and then returned to the concerned teacher.

OB-10A.6.7 The first internal assessment test/examination shall be held not before completion of three weeks from the date of commencement of teaching of that course in the concerned semester.

OB-10A.7 Dissertation is optional. In case of the faculty of Social Sciences and the faculty of Languages and Literature, the dissertation shall carry 12 credits; for all other faculties it shall carry 8 credits. The Dissertation shall be spread over third/fourth Semester(s) and not constitute an entire Semester-equivalent of Credits.

OB-10A.7.1 The Departmental Council shall decide at the beginning of the academic year the modalities relating to the dissertations.

OB-10A.7.2 Topics for dissertations shall be finalized before the end of the first/second semester.

OB-10A.7.3 The Departmental Council shall decide the number of students that a teacher can guide for the dissertation course.

OB-10A.7.4 The student shall declare, in the prescribed proforma, that the dissertation is his own work and that all the sources used by him are duly acknowledged.

OB-10A.7.5 The guiding teacher shall certify, in the prescribed proforma, that the dissertation is an original work of the candidate completed under his supervision.

OB-10A.7.6 The dissertation shall be evaluated as follows:

The dissertation shall be assessed by the guide/supervisor and by the faculty of the Department. The assessment by the faculty of the department shall be after the presentation of the work by the candidate before the students and teachers/members of the Departmental Council for not less than 30 minutes.

OB-10A.7.7 Average of marks of all teachers attending the presentation shall be the evaluation of the dissertation which shall carry 50 % of the total marks assigned for dissertation. The remaining 50 % marks shall be the assessment by the guiding teacher(s).

OB-10A.7.8 Students shall submit the dissertations to the Head of the Department through the guiding teacher not later than 2 weeks before the end of the term. Ordinarily, no student shall be allowed to submit the dissertation after the due date.

OB-10A.7.9 Every student shall submit three copies of the dissertation to the Department in the prescribed format as under:

The size of paper: A4 (approximately 29 cm x 21 cms) except for drawings, graphs and maps, on which no restriction is placed. A margin of 2.5 cm. is to be kept on the left hand side. The front cover of the dissertation, bound in a standardized form, should contain the title of the dissertation, degree, date and name of the student concerned. The dissertation should be neatly typed in double space and only on one side of the paper.

OB-10A.7.10 To pass in the dissertation a student has to secure a minimum of C⁺ Grade.

OB-10A.7.11 A student who fails in the dissertation may be allowed to re-submit the dissertation after incorporating suitable modifications under the guidance of the teacher. If the student still fails on resubmission, s/he may be permitted to opt for optional courses equivalent to 8/12 credits, by re-registering for the courses by payment of the prescribed fee.

OB-10A.8 Evaluation of the courses shall be by continuous assessment. There shall be tests every week, preferably on Saturday, corresponding to the prior week/s of teaching of the given course. The minimum number of tests for a course shall be one more than the number of credits for the course. The best performance in the number of test equal to the number of credits shall be considered for the purpose of computing the internal assessment performance. For eg., there shall be a minimum of three tests conducted for 2 Credit courses, of which the best two shall be considered, or five tests for 4 Credit courses of which the best four shall be considered, for computing the internal assessment performance. Additional tests, if required, may be conducted by the instructor/teacher. All internal assessments shall be completed before the commencement of the SEA.

OB-10A.8.1 The teacher/instructor of the course shall be the Course Co-ordinator. When more than one teacher is involved in teaching a course, one teacher preferably a regular teacher from the Department shall be identified as the course Co-ordinator by the Departmental Council.

OB-10A.8.2 Ordinarily a teacher who teaches a particular Compulsory Course or part thereof shall assess the performance of the students in the ISA component of that course. Guest faculty/contributory teachers teaching a course or part there of, shall conduct such assessment in consultation with the Course Co-ordinator.

OB-10A.8.3 There shall be a mid course/mid-term review of the teaching programme by the Departmental Council in every semester. The observations and mid-course corrections, if any, shall be recorded and communicated to the Dean of the concerned faculty.

OB-10A.8.4 A one-credit course shall carry 25 marks. All other courses shall carry marks proportionate to the number of credits.

OB-10A.8.5 The weightage of marks for the continuous ISA and SEA in both theory and practical courses shall be 50 percent marks.

OB-10A.8.6 In case the fifty percent marks result in fractions, the SEA component shall have greater weightage of one mark compared to the ISA component.

OB-10A.8.7 There shall be Course Co-ordinator for the course shall coordinate the teaching, examination and evaluation (both continuous ISA and SEA) of the course and maintain records of all assessments/tests/examinations.

OB-10A.8.8 In the case of courses involving laboratory work/ fieldwork, the number of Contact Hours (lectures, tutorials, practicals, field-training) shall be so adjusted that the spirit of OB-10A.4 is maintained.

OB-10A.8.9 Suggested model for the SEA in case of 4 credit course may consist of:

[a] A comprehensive written test, or

[b] A comprehensive laboratory course examination/fieldwork report assessment, or

[c] A combination of a comprehensive written test and laboratory course examination/fieldwork report assessment;

depending upon the nature of the course either with partial or total laboratory work/field work.

OB-10A.8.10 The duration of all comprehensive written SEA examinations carrying 25 marks or less, shall be of one hour; SEA carrying above 25 marks and up to 50 marks, shall be of two hours; SEA carrying above 50 marks, shall be of three hours.

OB-10A.8.11 The duration of all comprehensive laboratory course SEA examination carrying 50 marks or less, shall be of four to six hours.

OB-10A.8.12 The duration of assessment of fieldwork shall not exceed one hour.

OB-10A.8.13 The duration of all course-work examination for courses having both theory and laboratory components shall be proportionate to the marks allotted to the requisite component.

OB-10A.9 The SEA answer scripts shall be assessed by the teacher concerned within one week from the date of the examination. The evaluation of the answer scripts shall be under the central assessment programme (CAP) within a fixed time-frame. The marks assigned to each question and the marks awarded shall be checked by the Course Co-ordinator and the totals shall be entered in the marks chart maintained by the Course Co-ordinator.

OB-10A.9.1 The marks awarded in the ISA and SEA shall be added for awarding the grade for each course, as indicated in the table below.

Range of Marks scored	Grades	Grade Points
100-90	O	10
<90-80	A ⁺	9

<80-70	A	8
<70-60	A ⁻	7
<60-55	B ⁺	6
<55-50	B	5
<50-45	B ⁻	4
<45-40	C ⁺	3
< 40	C	0

OB-10A.9.2 Every student shall have to secure a minimum of C⁺ grade to pass the course.

OB-10A.9.3 Provisions of OA 5.16 shall not be applicable to Credit-based Masters Programmes.

OB-10A.9.4 Students who do not secure C⁺ grade will have to repeat the course in case of Compulsory Courses. In case of Optional Courses, a student may repeat the course or register for an alternative Optional Course to secure requisite number of credits.

OB-10A.9.5 The SEA shall be conducted two weeks after the date of completion of teaching of the said course. The DEC shall prepare the SEA time-table, and the same shall be communicated to all departments and the Examination Section of the University.

OB-10A.9.6 The Course Co-ordinator shall be responsible for finalizing the question paper and for taking care that the questions represent corresponding weightage in terms of the teaching-time and marks assigned to the topic/unit/module, as prescribed in the syllabus.

OB-10A.9.7 Calculation of weighted grade points of a course shall be done by multiplying the grade points scored, by the Credits of the respective course.

OB-10A.9.8 For each course a student securing "C" grade in the course shall not be entitled to earn any credits for that course and shall have to repeat the same course in the following semester or in the semester in which the course is offered/available, or register for an equivalent course identified by the department by paying separate fees for each course.

OB-10A.9.9 The performance of a student in a given semester shall be computed by determining the weighted grade points. The performance sheet of each candidate at the end of the respective semester shall be prepared by the Department and shall be signed by the Head of the concerned Department and countersigned by the Controller of Examinations or his nominee.

OB-10A.9.10 On completion of 80 Credits, or more, the Grade Point Average (GPA) shall be calculated by considering the Core Courses and appropriate additional optional course(s). The GPA shall be computed by dividing total number of the weighted grade points in all the four semesters corresponding to 80 Credits divided by the maximum possible weighted grade points corresponding to the course opted for by the student. The GPA shall be converted to the Final Grade to be awarded on the successful completion of the Degree programme, as shown in the table below:

Grade Point Average (GPA)*	Final Grade
10.00 – 7.50	O
07.49 – 6.00	A

05.99 – 5.50	B ⁺
05.49 – 5.00	B
04.99 – 4.50	C
04.49 – 4.00	D
03.99 – 0.00	F

OB-10A.9.11 The GPA shall be calculated up to two decimal places and the grades will be O, A, B⁺, B, C, D and F wherein a candidate with GPA of 3.99 or less shall be declared as Unsuccessful/Fail.

OB-10A.9.12 On completion of the teaching programme, the semester-wise grades/results shall be computed by the DEC, approved by the Departmental Council and then sent to the Controller of Examinations for the declaration of results.

OB-10A.9.13 If a student desires to improve his/her final grade on completion of the Masters degree programme, s/he will have to appear for the SEA Component of courses equivalent to 1/3rd of the total theory courses s/he had opted for, during the programme.

OB-10A.9.14 Students who have not completed the programme in four semesters, are permitted to re-register for additional semester/s and opt for courses, provided that these courses are available for instruction in the Department.

OB-10A.9.15 Students shall have to acquire minimum of 80 Credits and be registered for the Masters programme for a minimum of four semesters, to be eligible for award of a degree.

OB-10A.10 (Effective from 26th July, 2013) There shall be an audit of academic programme for each department of the University, annually conducted by an Academic Audit Committee (AAC).

OB-10A.10.1 The AAC consisting of three members shall be constituted by the Vice-Chancellor from the panel of experts prepared by the Board of Studies.

OB-10A.10.2 The AAC shall meet for one or two days not later than two months after the declaration of results.

OB-10A.10.3 The conduct of the academic audit by the AAC shall consist of the following:

- (1) To review question papers of the assessments held during the preceding year/semester:
 - (a) to determine the adequacy of coverage of the syllabus and
 - (b) to determine the standard of questions in relation to the syllabus.
- (2) To review sample answer scripts to check for objectivity and uniformity of assessment.
- (3) To scrutinize the records of ISA and SEA maintained by the Department, in order to determine the suitability and adequacy of the methods of assessment.
- (4) To evaluate and suggest remedial measures on the basis of feed-back obtained from the students.

OB-10A.10.4 The AAC shall prepare a report and submit the same to the Vice-Chancellor, who, after making necessary observations, shall forward the same to the Board of Studies of the concerned subject. The Board of Studies shall make suitable recommendations to the Departmental Council for necessary action.

OB-10A.10.5 The Controller of Examinations shall coordinate the meeting of the AAC.

OB-10A.11 There shall be a Grievance Committee of five teachers from different faculties and the same shall be constituted at the commencement of every academic year. The Vice-Chancellor shall appoint one of the five as Chairperson. No Teacher against whom a grievance is made shall participate in the meetings of the Committee.

OB-10A.11.1 The Grievance Committee shall examine and decide on the grievances relating to the marking of answer-scripts/evaluation of tests of the students. However, it may also consider any other matter related to examination and evaluation. The Grievance committee shall also consider any other problem related to examinations.

OB-10A.11.2 Grievances of students shall be addressed to the Head of Department, and at the first instance, be placed before the Departmental Council for resolution.

OB-10A.11.3 If the student continues to feel aggrieved, the grievance application shall be referred to the Grievance Committee by the Departmental Council.

OB-10A.11.4 If the Grievance Committee finds that there is a prima facie case, it may refer the respective answer-scripts/ assignments, to an expert outside the University, for which the student shall have to pay the prescribed fee. The result of such an evaluation will be final and binding.

OB-10A.11.5 Ordinarily, the decision of the Grievance Committee shall be communicated to the student within one month of his/her filing of the grievance.

OB-10A.12 There shall be a Coordination Committee for the Credit-based Masters Programme, with representatives of all faculties.

OB-10A.12.1 The Vice-Chancellor shall appoint the Coordination Committee which shall be assisted by the Academic Section of the University.

OB-10A.12.2 This Committee shall coordinate implementation of the Credit-based Masters Programme, and resolve anomalies arising during the implementation of the programme.

OB-10A.12.3 At the end of the teaching of every semester there shall be an assessment of the teacher, the course-taught and of the overall programme by the student(s), the records of which shall be retained by the Department.

OB-11 Ordinance relating to the policy of admission to the University teaching departments
(Under Section 24(1) of the Goa University Act, 1984)

Procedure & conditions for admission to the Post-graduate Courses of study in the University Teaching Departments.

OB-11.1.1 All applications for admission to M.A./M.Sc./M.Com. degree courses shall be made in the prescribed form which will be available on sale at the University office from 1st June every year. The price of an admission form together with the Hand Book and the price of an additional form shall be as determined by the University every year. This amount will have to be deposited in the branch of the State Bank of India in the University campus and the forms and the Hand Book can be obtained on production of the challan for such payment.

OB-11.1.2 All applications for admission to post-graduate degree courses will be received in the office of the Goa University up to 15th working day after the declaration of results of the qualifying examinations of this University or 20th June whichever is later.

OB-11.1.3 Applications can also be received by the Goa University on payment of a late fee of Rs. 30.00 (over and above the cost of application form and Hand Book) upto the 10th July. Such applications shall be considered only if seats are available in the relevant course of study after exhausting the merit list.

OB-11.2 Reservation of Seats

OB.11.2 (effective from 15th May, 2004) Admission under various categories.

OB-11.2.1(effective from 15th May, 2004) Admissions under special categories shall be done as under:

(a) The reservation of seats in the case of Scheduled Caste/Scheduled Tribe candidates for admission to various courses of study in the University shall be on the basis of the percentage of their population in the State of Goa. Two percent of seats in each of the Post Graduate courses of study, subject to a minimum of one seat shall be reserved for candidates belonging to the Scheduled Caste (SC) category. Similarly 0.5% of seats in each of the Post Graduate courses of study, subject to a minimum of one seat shall be reserved for candidates belonging to the Scheduled Tribe (ST) category. Candidate applying for admission under these categories shall be required to submit a certificate to that effect issued by the Officer of the rank of the Deputy Collector or above. Seats falling vacant under these categories shall be filled from the general category candidates with the approval of the Vice-Chancellor.

Note: Percentage of seats, mentioned above, is subject to changes depending on the State Government directive.

(b) 10 percent of seats, subject to a maximum of two seats, in each course of study, except the MCA and MBA courses, shall be made available for candidates of other Universities. Entrance Test shall be conducted by all the Departments for admission to candidates from other Universities. Only those candidates who secure 40% or more marks in the Entrance Test shall be eligible for admission under this category. Seats falling vacant under this category shall be filled from the general category candidates with the approval of the Vice-Chancellor.

(c) 19.5 percent of the total seats, subject to a minimum of two seats, for admission to various courses of study in the University shall be reserved for candidates belonging to Other Backward Class of the State of Goa as per the directive of the Government of Goa. Candidates applying for admission under this category shall be required to submit a certificate issued to that effect by the Officer of the rank of the Mamlatdar or above. Seats falling vacant under this category shall be filled from the general category candidates with the approval of the Vice-Chancellor.

Note: Percentage of seats, mentioned above, is subject to changes depending on the State Government directive.

(d) 15 percent of seats, over and above the allotted number of seats, shall be reserved as supernumerary seats for the overseas candidates, who are eligible for admission and are recommended by the

Government of India under Govt. of India Scholarship or under Exchange Programme (ICCR Programme). These seats shall be filled in accordance with the UGC guidelines.

OB-11.3 Merit Lists

OB-11.3.1 (effective from 15th May, 2004) Admissions to the Part I course in M.A./M.Sc./M.Com. Programmes shall be on the basis of merit. Entrance Test shall be conducted for admission to courses in Department of Commerce and departments under the Faculty of Natural Sciences and the Faculty of Life Sciences.

The Entrance Test shall be of 100 marks and of one and half hour duration. The test shall be based on the syllabus at the graduation level. The question paper may contain objective type, short answer type or essay type of questions.

A fee of Rs. 250=00 only shall be charged per candidate for appearance at each Entrance Test.

In the case of the Departments under the Faculty of Languages and Literature and Faculty of Social Sciences, the Entrance Test shall be conducted for candidates from Other Universities seeking admission to M. A. course. For candidates seeking admission for M. A. course under the Change of Faculty provision, the modalities shall be as specified under OB-11.4.

OB-11.3.1 (i)(effective from 15th May, 2004) (i) Candidates passing the qualifying examination with more than one attempt shall also be eligible for admission. However, three percent of aggregate marks scored by the candidate at the qualifying examination shall be deducted for each additional attempt at passing the qualifying examination.

(ii) For selecting the candidates for admission to the Course under General Category, a common merit list, including General, SC/ST and OBC category candidates, shall be prepared. For selecting the candidates for admission to the Course under SC/ST Category, a merit list of SC/ST candidates, who do not get admission as per the common merit, shall be prepared. For selecting the candidates for admission to the Course under OBC Category, a merit list of OBC candidates, who do not get admission on the basis of the common merit, shall be prepared. A separate merit list shall be prepared for candidates qualifying for admission from other Universities.

(iii) The merit list, in the departments of the Faculty of Languages and Social Sciences which do not conduct Entrance Test, shall be prepared in the following order/manner. The candidates securing distinction in the qualifying examination with six units shall be placed above those securing distinction with three units. Similarly, candidates securing first class with six units will be placed above those securing first class with three units, candidates securing second class with six units above those securing second class with three units and candidates securing pass class with six units above those securing pass class with three units.

(iv)(A) The merit list in the Faculty of Natural Sciences, the faculty of Life Sciences and Department of Commerce shall be prepared on the basis of total marks computed from the aggregate marks obtained at the qualifying examination (50% weightage) and the marks obtained in the Entrance Test (50% of weightage), irrespective of the number of papers offered (6 or 3) in the subject at the qualifying examination.

(B) In case of two candidates securing equal marks in the merit list, the candidate passing the qualifying examination with only one subject (six units) for which admission is sought will be placed above the candidate passing the qualifying examination with two major subjects (three units + three units).

(C) In case of two candidates securing equal marks in the merit list as well as both having offered only one subject (six units) for which admission is sought, the candidate having higher marks in the qualifying examination shall be placed above the other.

(D) In case of two candidates securing equal marks in the merit list and having passed the qualifying examination with two subjects (three units + three units), candidate securing higher marks in the subject for which admission is sought shall be placed above the other.

OB-19.5.7 The students can make an appeal to the head of the department in case of any discrepancies in evaluation.

OB-19.6 Grading Scheme

OB-19.6.1 For each course taken by a student, a letter grade is assigned based on the performance in all assessments. These grades are defined as:

AA, AB, BB, BC, CC, CD, EE, II, FF and FF(A).

Each grade not only indicates a qualitative assessment of the students performance but also carries and equivalent number called the grade point.

The grade points corresponding to different letter grades are defined below:

Letter Grade	Grade Point	Letter Grade	Grade Point
AA	10	CD	5
AB	9	DD	4
BB	8	EE	0
BC	7	II	0
CC	6	FF	0
		FF(A)	0

OB-19.6.2 A student passes the course if he/she gets any grades in the range AA to DD.

OB-19.6.3 The Grade EE and the Grade II requires the student to take a supplementary examination in that course.

OB-19.6.4 The grade II is given to a student on account of absence from the end-semester examination.

OB-19.6.5 The Grade EE is given to a student on account of poor performance in the end-semester examination.

OB-24.4.4 (effective from 23rd June, 2005) Each Elective should specify pre-requisite courses, if any, to enable the students to opt for them in a previous Term.

OB-24.4.5 (effective from 23rd June, 2005) For each elective (Other than Perspective Building Electives) , an Executive from Industry will handle at least 5 hours. Further, for each Functional area, at least one academic from one of the National Institutes will handle a Module as a Role Model in the respective Terms. For Summer and Final Internship Seminars, at least one of the Judges would be from the Industry.

OB-24.4.6 (effective from 23rd June, 2005) Subject allocations to Terms are only indicative. The Departmental Council or the Faculty Board in the case of affiliated institutions will have the freedom to re-allocate courses across Terms.

OB-24.4.7 (effective from 23rd June, 2005) For each subject, detailed course outlines will be obtained from the teachers before the commencement of teaching. Exceptions to this with reasons will be made only by the Departmental Council or the Faculty Board in the case of affiliated institutions.

The Course Outlines will include objectives in terms of competencies to be developed, broad outline of topics to be covered, pedagogical and evaluation methods to be used and minimum reading stipulated. The format for the Course Outlines will include session by session topics to be covered, reference of essential reading for each session, session by session assignments, components of evaluation, rationale for each component of evaluation, weights for each component of evaluation etc. Forms in Annex II and Annex III will be used for this purpose.

OB-24.4.8 (effective from 23rd June, 2005) Every session will be reading material based and will have either an exercise or case study as a background for class discussion or class work by the students. Straight lecture as a method of training will not be used in any session unless prior permission of the Department Council or the Faculty Board (in the case of affiliated institutions) is obtained.

OB-24.5 (effective from 23rd June, 2005) Registration for Electives and Non Credit Courses.

OB-24.5.1 (effective from 23rd June, 2005) Each elective opted for should be a distinct subject announced.

OB-24.5.2 (effective from 1st October, 2009) Electives offered shall have Credits between 1 and 3.

OB-24.5.3 (effective from 23rd June, 2005) Every year, before December, the Department / the affiliated institution will obtain the syllabi for the electives giving objectives and broad outlines form

regular and visiting teachers such as teachers from other Departments / Institutions and Institutions outside Goa University as well as Professionals and Managers from Industry.

Electives approved by the Department Council or the Faculty Council of the affiliated institution will be announced to the MBA students and provisional registrations will be obtained before end December of every year. Based on the registrations and availability of faculty resources, the Departmental Council or the Faculty Council of the affiliated institution will finalize the electives to be offered in the current and subsequent academic year.

For such approved electives, detailed course outlines will be obtained from the teachers. The Course Outlines will include objective in terms of competencies to be developed, broad outline of topics to be covered, pedagogical and evaluation methods to be used and minimum reading stipulated. The format for the Course Outline will include session by session topics to be covered, reference of essential reading for each session, session by session assignments, components of evaluation, rationale for each component of evaluation, weights for each component of evaluation etc. Forms in Annex II and Annex III will be used for this purpose.

Final registrations will be obtained one Term before the Term in which the electives are offered.

OB-24.5.6 (effective from 23rd June, 2005) In Terms in which Electives are offered (other than in the case of Perspective Building Electives), in lieu of 3 credits worth of electives, the student may opt for either a Project Course (PC) or a Course of Independent Study (CIS) under an approved guide (a regular faculty member of the Department or the affiliated institution, the University or a Contributory / Guest Teacher).

The student has to do a project under the Project Course and undergo mutually and custom designed course under the Course of Independent Study with the help of an approved guide. Each PC and CIS opted for should be unique.

OB-24.5.7 (effective from 23rd June, 2005) Registration for Non Credit Subjects

The Department or the affiliated institution, with the help of its regular contributory or guest faculty, will periodically offer non-credit subjects in various areas of management and specially in newly emerging areas. Once a student registers for such a subject, it becomes a compulsory subject for the student. In exceptional circumstances, the Department Council or the Faculty Council of the affiliated institution may allow a student to withdraw registration, if it is convinced about the genuineness of the reasons. There will be no evaluation in non-credit subjects. The Department or the affiliated institution will issue a Certificate to the student mentioning the names and the number of Credits of each such subject attended by the student.

OB-24.6 (effective from 23rd June, 2005) Evaluation, Grading and Pass Requirements

OB-24.6.1 (effective from 1st October, 2009) Each subject or component of evaluation is split into certain number of Credits as given in Annex I. The number of Credits will be approximately the number of minimum contact hours divided by 15.

OB-24.6.2 (effective from 23rd June, 2005) The teacher teaching the subject, with the consent of the Department Council or the Faculty Council of the affiliated institution, will decide the method as well as the content of evaluation of each Credit of each subject through submission of Form in Annex II.

OB-24.6.3 (effective from 23rd June, 2005) Competencies mentioned in the Form in Annex II with respective Grades will be reproduced in the detailed Grade Sheet that will be issued at the end of the Program.

OB-24.6.4 (effective from 23rd June, 2005) The teacher will submit at the end of every month, the details of the Grades awarded to each student as well as the percent of attendance till that point of time to enable the student to benefit from timely feedback.

OB-24.6.5 (effective from 23rd June, 2005) No component of evaluation shall exceed 40% weight in the total evaluation of the subject.

OB-24.6.6 (effective from 23rd June, 2005) The method as well as the content of evaluation of each Credit of Internships such as the Internship Report, Internship Seminar, Project Courses and Courses of Independent Study will be decided by the concerned guide with the consent of the Department Council or the Faculty Council of the affiliated institution. The respective teacher or the guide will do the assessment as well as grading.

OB-24.6.7 (effective from 23rd June, 2005) All Seminars will be organized as public seminars, where anybody from the audience can ask questions, unless the organizations on which the work was done require the results to be kept confidential. In the latter case, only the examiners will be present during the Seminar.

OB-24.6.8 (effective from 23rd June, 2005) All examinations will be open book examinations. The prescribed texts distributed to the students by the Institution as well as other hand-written notes of the student can be used by the student while answering the examinations.

OB-24.6.9 (effective from 23rd June, 2005) The manner in which classes are conducted and the method as well as the content of evaluation of each subject of each term will be reviewed by an Academic Audit Committee. A committee of examiners appointed by the Vice-Chancellor from a panel of approved examiners. The committee will consist of at least three examiners, of which preferably at least two will be from outside the institution. At least one of the examiners should preferably be from the corporate sector and one from a premiere institution. If the work for a Committee is on the higher side, more than one committee may be appointed. The Committee's broad objective will be to see that the training imparted is consistent with the needs of the industry.

The Committee will meet in the 2nd week of 2nd / 6th Term to audit 1st, 4th and 5th Terms. It will meet in the 2nd week of 4th Term to audit 2nd, 3rd, 6th and 7th Terms.

All course outlines, reading materials, question papers, answer sheets, assignments, project reports, grade sheets, formal student feedback etc. shall be available for the scrutiny of the Committee. The results of the term are finalized after the approval of the Committee with suitable modifications suggested

by them. The Academic Audit Committee will also be the Grievance Committee for all grievances related to evaluation and grading.

The Grades approved by the Committee would be handed over to the Examinations Department in Tabulated Grade Sheet form for each student after Term 7.

OB-24.6.10 (effective from 1st October, 2009) After evaluation, each student shall be graded for each subject, as per the following scheme of grades and grade points.

Grade

A: Excellent 8.00 upwards

B: Good 6 to < 8

C: Satisfactory 5.5 to < 6

D: Low pass 5 to < 5.5

F: Failed 0 to < 5

Teachers shall use the following grades (and not Grade Points) with equivalent grade points for individual items of evaluation such as answers to individual questions in a question paper.

A+: 10, A: 9, A-: 8, B+: 7.5, B: 6.75, B-: 6, C+: 5.9, C: 5.7, C-: 5.5, D+: 5, D: 3.4, D-: 1.7, F: 0

The grade points awarded for a subject shall be rounded off to two decimals for determining grades for the subject.

OB-24.6.11 (effective from 23rd June, 2005) Students in higher Terms will have the option of registering for attending sessions for subjects of previous Terms for improving grades by paying appropriate fee provided the time table permits it.

OB-24.6.12 (effective from 23rd June, 2005) To obtain a pass in MBA, the student should have obtained a weighted average Grade Point (weighted by the number of Credits of each subject) of at least 5.00 for the subjects of Terms 1 to 7 taken as a whole, should not have obtained F grades in any subject and should have completed the requirements of the non-credit subjects the student has registered for.

OB-24.6.13 (effective from 23rd June, 2005) The Grade Sheet given to the student will give grades and grade points for each competency in each subject of each Term, his / her rank in the class for each competency, the overall grade (weighted average, weighted by the Credits of each subject) and grade points.

OB-24.6.14 (effective from 1st October, 2009) A student who has not met the requirements for pass in MBA may reregister for necessary subjects by paying the appropriate fee and attempt to obtain a pass within a period of not exceeding 4 years from the date of joining the MBA Program. The Institution may not be in a position to make changes in the Time Table of subjects to avoid clashes of sessions to accommodate all such students.

Students will have the choice to register for a subset of subjects offered in a Term.

OB-24.6.15 (effective from 23rd June, 2005) A student may cancel an elective subject and may register for another elective while reregistering

OB-24.6.16 (effective from 23rd June, 2005) A student who wants to improve grades in a subject or subjects may reregister for such a subject or subjects in subsequent years by paying the appropriate fee and attempt to obtain improved grades in such a subject or subjects within a period of 4 years from

the date of joining the MBA Program. The Institution may not be in a position to make changes in the timetable to avoid clashes of sessions to accommodate all such students. This provision will not be available for students after their receiving the MBA degree.

OB-24.6.17 (effective from 23rd June, 2005) In all cases of re-registration, the grades obtained in the last registration by the student will hold good.

OB-24.6.18 (effective from 23rd June, 2005) In approved exchange programs with institutions within the country and outside as well as when a student opts for courses outside the institution with the consent of the Department Council or the Faculty Board (in the case of affiliated institutions), the equivalencies will be established and documented by the Department Council or the Faculty Board (in the case of affiliated institutions).

OB-24.6.19 (effective from 23rd June, 2005) Normally, grades or grade points will not be converted to marks, class, distinctions, etc. In exceptional cases, where an employer or an entity insists on specifying equivalent marks or such classifications, the following scheme will be used.

Equivalent Marks = Grade Point Average multiplied by 10.

A: Distinction

B: First Class

C and D: Second Class

F: Failed

OB-24.7 (effective from 23rd June, 2005) Ambiguities and interpretation requirements arising, if any, from this Ordinance will be resolved by the Faculty Board.

OB.26.7 (effective from 6th June, 2006) Evaluation

OB.26.7.1 (effective from 6th June, 2013) Assessment of the performance of the students in Optional and Compulsory course/paper and certificate courses shall be as follows or as specified for the specific programmes:

(A) Optional Courses/ Papers:

- (i) Ordinarily a teacher who teaches a particular Optional course/paper or part thereof shall assess the performance of the students in that course/paper. Guest Faculty, when teaching a course /paper or part thereof, shall assess the performance of the student in that course/paper in consultation with the teacher appointed for that purpose by the Departmental council or in consultation with the coordinator, if the programme is offered by an Affiliated College/ Recognized Institution.
- (ii) The assessment of the course shall be based on the examination at the end of each semester. The examination shall consist of either a comprehensive written test, of 2 or 3 hours duration, a comprehensive Laboratory examination, depending on whether it is a theory course/paper or Laboratory/practical course or as specified for the certificate course in the concerned subject.
- (iii) The duration of the written examination carrying a maximum of upto 50 marks shall be two hours and that carrying upto 100 marks shall be three hours or as specified for a specific certificate course. The duration of comprehensive Laboratory examination carrying a maximum upto 50 marks shall be minimum three hours and that carrying 100 marks shall be minimum of six hours duration.

(B) Compulsory Courses/Papers:

- (i) The examination of all the Compulsory courses/ Papers for PGD, AGPD and Certificate courses/ programme shall normally carry a maximum of 100 marks or as specified for a specific programme.

- (ii) The examination of each course/paper shall be conducted by the External and/or Internal Examiner.
- (iii) Paper setting of the compulsory course(s)/paper(s) shall be done by the External and/ or Internal Examiners. The question paper(s) set by the External Examiner shall be scrutinized by the Internal Examiner who shall ensure that proper weightage is accorded in terms of marks vis-à-vis the topics in the prescribed syllabus and the same is taken into consideration while setting/framing the questions and that no part thereof is outside the prescribed syllabus.
- (iv) In case the questions/question paper(s) are not received from the External Examiner in time, the Internal Examiner shall set the question paper(s). The final sets of question paper(s) shall be submitted by the Internal Examiner to the Examination Section.
- (v) The assessment of answer scripts of the Compulsory course(s)/paper(s) shall be carried out by the External/Internal Examiners, such that all the answer scripts of a given course are assessed by a single examiner i.e. the Internal or the External Examiner.

However, in respect of the PGD programme on "Clinical Genetics and Medical Laboratory techniques," all the Compulsory and Optional courses (Theory as well as Practical) are to be evaluated by two examiners separately i.e. a faculty member from the respective institutes who taught the course as internal examiner and another from the other institute within Goa State as external examiner. The average marks of two evaluations will be taken for preparing the result. The examiner(s) will be appointed from the master panel as per the existing Ordinance OB-4. In cases where the difference of marks exceeds 15% or higher such cases shall be evaluated by the third examiner. In such cases the mean of all three evaluations will be treated as the final evaluation and there shall not be any provisions for revaluation.

- (vi) In case of the four-semester PGD, evaluation will have 2 components – Intra- Semester Assessment (ISA) and Semester End Assessment (SEA) each with a weightage of 50% marks.
- (vii) Duration of the examination of all the compulsory courses is same as specified for optional courses.

(C) Students who fail in the course may be permitted to reappear for the same at the end of next semester. Supplementary examinations in the course/paper for shall be charged separate fees. However, failing in the supplementary examination the candidate can either repeat that course/paper or opt for different course/paper during the subsequent year or semester. The candidate registered for a Semester during the subsequent academic year for repeating a course/paper shall be required to pay fees for the Semester, which shall be half the annual Tuition/Laboratory fees. If the candidate passes a course/paper in the second appearance, the same shall be indicated on his/her marks sheet.

OB-26.7.2 (effective from 6th June, 2006) Allotment of grace marks as and when necessary as well as revaluation shall be as per the general ordinance.

"Improvement in class" facility shall not be available for candidates registered for these Programmes.

Candidate can avail not more than four consecutive attempts to pass a course/paper, whether compulsory or Optional. Candidate shall be required to register afresh for the programme if he or she fails to pass after four consecutive attempts.

(ii) The AAC consisting of three members, shall be constituted by the Vice Chancellor from the panel of experts prepared by the Board of Studies. One of the members shall be appointed as Chairman.

No teacher from the Department/College offering the relevant programme shall be appointed as member of the AAC for that programme.

(iii) The AAC shall meet normally not later than two months after the declaration of results of the IInd Semester examinations and complete the audit ordinarily in two days time.

(iv) Conduct of Academic Audit by the ACC shall consist of the following

- (a) Review of question papers set for the assessments of candidates during the preceding academic year
- (b) Determination of the adequacy of coverage of the syllabus in the question paper.
- (c) Determination of the standard of questions in relation to the syllabus.
- (d) Review of sample answer scripts to check for the objectivity and uniformity of assessment.
- (e) Scrutiny of the record maintained by the Department to determine the suitability and adequacy of the methods of assessment as well as quality and standard teaching and evaluation.
- (f) Evaluation and suggestion remedial measures on the basis of feedback, if any, received from the teachers and students from time to time.

(v) On conclusion of the audit, the AAC shall prepare a report and submit it to the Vice Chancellor. The Vice Chancellor, with necessary observation, shall forward this report for placement before the Board of Studies in the subject. The Board of Studies shall make suitable recommendations to the Departmental Council/College. The report and the observations along with the recommendation shall be sent to Academic Council.

(vi) The Academic Section of the University shall coordinate the meeting and conduct of the AAC.

(Effective from 17th August, 2010) Ordinance OB-27 Common Ordinance governing Management Programmes.

OB-27.1 Objective of the Program

To build competence in students to effectively undertake managerial jobs in organizations

OB-27.2 Duration of the Program

OB-27. 2.1 The institution shall offer sufficient number of credits in a year so that the student shall be able to complete full time BBA in three years, part time BBA in four years, full time MBA in two years, part time MBA in three years and full time or part time DBA, or PGDBA in one year.

No student shall be permitted to continue in any program beyond three times the duration specified above for the respective programs.

OB-27. 2.2 A student shall be able to complete a program at his/her own pace provided the schedules permit and subject to the upper limit of number of years mentioned above in clause 2.1. Scheduling of sessions and internships shall be made by the

institution conducting the program depending on resources. A student shall not normally have more than 30 contact hours of sessions in a week.

OB-27.3 Admission and Eligibility for Admission

OB-27.3.1 **(effective from 2nd March, 2015)** The procedure for admission to various programmes and courses shall be decided by the Admissions Committee appointed by the Vice- Chancellor for a particular programme in each academic year. Admissions Committee shall consist of selected Principals / Course Directors of affiliated institutions, Dean of the Faculty and one member of the Faculty under which the programme is offered. Students shall be admitted at the beginning of the academic year. Class size shall not normally exceed sixty students.

OB-27.3.2 Eligibility for admission to various programs is given in Schedule 1. Boards of Studies under which a program is offered can recommend higher eligibility requirements.

OB-27.4 Structure of the Programs

OB-27.4.1 The programs are divided into terms and each term shall comprise a minimum of 11 weeks of contact hours under the Trimester system and a minimum of 15 weeks of contact hours under the semester system. Courses shall be allocated to terms by the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution every year.

OB-27.4.2 The University Department offering the program/s or affiliated institutions shall offer courses from a list of core (approved by the respective Boards of Studies) and optional courses. Based on the registration and availability of faculty resources, the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution shall decide the core and optional courses to be offered in a particular academic year. Classification of core and optional courses to particular specializations shall be done by the respective Faculty Boards from time to time. For each optional, prerequisite courses, if any, shall be specified. All courses offered as part of any approved program may be offered as certificate programs.

The Department offering the program/s and the affiliated Institutions shall obtain the course syllabi for the optionals giving objectives and broad outlines from regular and visiting teachers such as teachers from other Departments / Institutions and institutions outside Goa University as well as professionals and managers from industry on a yearly basis and shall intimate the respective Faculty Boards the titles and objectives of new optionals to be offered every year.

OB-27.4.3 The credits for a course other than for Internships can range from one to six. One credit stands for 15 contact hours or 45 hours of internship. Courses can be of Level 0 or Level 1 with Level 1 courses requiring greater inputs on the part of the students. When a Level 1 course is offered also as a Level 0 course, it shall have twice the duration of the Level 1 course.

OB-27.4.4 Minimum Credit Requirements for Programs are in Schedules 2 and 3.

- OB-27. 4.4.1** For BBA and IMBA, the Credits are expressed in terms of Level 0 courses and they are expressed in terms of Level 1 courses in the case of all other programs.
- OB-27. 4.4.2** Candidates who hold BBA degree of Goa University need to acquire only additional credits required for the Integrated MBA for completing the requirements of the MBA program.
- OB-27. 4.4.3** When programs are offered with approval in specific areas of specialization such as BBA (Travel and Tourism), MBA (Tourism Management), PGDBA (Event Management), the credit requirements in the areas of specialization shall be as per Schedule 3.
Two thirds of the credits required to be acquired from the Department/Institution have to be in the area of specialization for programs other than BBA. In the case of BBA two thirds of credits of all the business courses together have to be in the area of specialization. Internship in Organizations, Internship Report as well as Internship Seminars are considered to be in the area of specialization
- OB-27. 4.5** Pedagogical Requirements
- OB-27. 4.5.1** For all courses, Evaluation Schemes and detailed Course Outlines (Schedule 4 and Schedule 5) shall be obtained from the teachers before the commencement of the course. Exceptions to this with reasons shall be made only by the Departmental Council or equivalent body of faculty members of the affiliated institutions.
- OB-27. 4.5.2** All sessions shall be reading material based and/or shall have either an exercise or case study as a background for class discussion or class work by the students. Straight lecture as a method of training shall not be used in any session unless permission of the respective Faculty Board is obtained with valid reasons.
- OB-27. 4.5.3** A maximum of 25% of the credits of any program may be offered in distance education mode with the consent of the respective Faculty Board.
- OB-27. 4.5.4** Five percent of the sessions for core and optional business courses shall be handled by executives from industry.
- OB-27.5** Registration for Core and Optional Courses
- OB-27. 5.1** Optionals decided by the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution shall be announced to the students every year and registrations shall be obtained. Based on the registrations and availability of faculty resources, the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution shall decide the final list of optionals to be offered.
- OB-27. 5.2** A student may register for Project Courses and/or Courses of Independent Study subject to a maximum of 30% of the total credits for optional courses of a program. No single Project or Course of Independent Study shall exceed 3 credits. Project courses and courses of Independent Study are to be carried out under the

supervision of approved guides. Approved guides shall be from among regular or visiting teachers of the Department offering the program/s or affiliated institution.

- OB-27. 5.3** Internships shall be undertaken by students in established organizations.
- OB-27. 5.4** When a student acquires more than required credits for a given program, the student shall intimate the institution about the courses that shall be considered for the calculation of cumulative grade point average for the award of the Degree or Diploma.
- OB-27.6** Evaluation, Grading and Pass Requirements
- OB-27. 6.1** The teacher teaching the course, with the consent of the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution shall decide the method as well as the content of evaluation of each course using the Form in Schedule 4.
- OB-27. 6.2** No component of evaluation shall exceed 40% weight in the case of 2 and 3 credit courses and 30% in the case of 4, 5 and 6 credit courses in the total evaluation.
- OB-27. 6.3** The method as well as the content of evaluation of Internships, Internship Report, Internship Seminar, Project Courses and Courses of Independent Study shall. be decided by the concerned guide with the consent of the Departmental Council of the Department offering the program/s or equivalent body of faculty members of the affiliated institution using the Form in Schedule 4. The respective teacher or the guide shall do the assessment as well as grading.
- OB-27. 6.4** All Seminars shall be organized as public seminars, where any member of the audience can ask questions, unless the organizations on which the work was done require the results to be kept confidential. In the latter case, only the examiners shall be present during the Seminar. For Internship Seminars, one of the Judges shall be from the Industry.
- OB-27. 6.5** All examinations shall be open book examinations except short quizzes to test preparation for the classes. The text books that are common to all the students of the Institution as well as other hand-written notes of the student shall only be used by the student while answering the examinations. Only ordinary calculators (in contrast to scientific calculators) could be used for the examinations.
- OB-27. 6.6** After evaluation, each student shall be graded for each course, as per the following scheme of grades and grade points.

Grade

A: Excellent 8.00 upwards

B: Good 6 to < 8

C: Satisfactory 5.5 to < 6

D: Low Pass 5 to < 5.5

F: Failed 0 to < 5

Teachers shall use the following grades (and not Grade Points) with equivalent grade points for individual components of evaluation.

A+: 10, A: 9, A-: 8, B+: 7.5, B: 6.75, B-: 6, C+: 5.9, C: 5.7, C-: 5.5, D+: 5, D: 3.4, D-: 1.7, F: 0

The grade points awarded for a course shall be rounded off to two decimals for determining grades for the course.

OB-27. 6.7 Students shall have the option of registering for attending courses for improving grades by paying appropriate fee provided the time table permits it. In all cases of re-registration, the grades obtained in the last registration by the student shall hold good.

OB-27. 6.8 To obtain a pass in any program such as the DBA, PGDBA, MBA and IMBA, the student should have obtained a weighted average Grade Point (weighted by the number of Credits of each course) of at least 5.00 for the courses as a whole and should not have obtained F grades in any course.

To obtain a pass in BBA, the student should have obtained a weighted average Grade Point (weighted by the number of Credits of each course) of at least 5.00 for the courses as a whole and should not have obtained F grades in more than three courses.

To obtain a Certificate for any individual course, the student should not have obtained F in that course.

OB-27. 6.9 **(effective from 2nd December, 2011)** The manner in which classes are conducted and the method as well as the content of evaluation of each course of each term shall be reviewed by an Academic Audit Committee, for which the Chairperson shall be appointed by the Vice-Chancellor for a period not exceeding three years. The remaining members of the committee are to be selected by the chairperson from a master panel approved for the purpose. The committee shall consist of at least three members of which preferably at least two will be from outside the institution. At least one of the members should preferably be from the corporate sector and one from a premiere institution. If the work for a committee is on the higher side, more than one committee may be appointed. The Committee's broad objective shall be to see that the training imparted is consistent with the needs of the industry. The format in Schedule 6 shall be used for the Academic Audit.

The Committee shall meet at least twice in a year.

All course outlines, reading materials, question papers, answer sheets, assignments, project reports, grade sheets, formal student feedback, etc. shall be available for the scrutiny of the committee. The results of the term are finalized after the approval of the committee with suitable modifications suggested by them. The Academic Audit Committee shall also be the Grievance Committee for all grievances related to evaluation and grading.

The Grades approved by the Committee shall be handed over to the Office of the Controller of Examinations in Tabulated Grade Sheet form for each student completing any program such as the BBA, DBA, PGDBA, MBA or IMBA at the end of the academic year.

- OB-27. 6.10** The Grade Sheet given to the student shall give credits, grades and grade points for each course, his/her rank in the class (exceptions to depiction of ranks in any program shall be decided by the respective Faculty Board with valid reasons) in the respective institution for each course, the overall grade and cumulative grade point average (weighted average, weighted by the Credits of each course).

There shall not be any University wide ranking of the students.

- OB-27. 6.11** The completion of a program by any student shall occur when the student fulfills the credit requirements for that program for which he or she has enrolled and requests the institution for certification. The certification for a program shall be awarded only if the student accumulates all the credits during the period the institute/s had affiliation for the particular program.

The student may opt for certification for a program for which the requirement is only a subset of the requirement for the program for which the student initially enrolled. The student may at a later point of time, register for courses for fulfilling the credit requirements for the program for which he or she initially enrolled. Certification in such cases shall be on surrender of previous certification.

- OB-27. 6.12** Credit transfers for students registered with Goa University shall be done from other Faculties of Goa University by the consent of the Departmental Council of the Department offering the program/s or equivalent body of the faculty members of the concerned institution. The equivalence of grades and grade points shall be determined by the Departmental Council of the Department offering the program/s or the equivalent body of the faculty members of the concerned institution. Credit transfers from institutions other than Goa University Institutions shall be done with the consent of the concerned Faculty Board. The equivalence of grades and grade points shall also be determined by the Faculty Board.

There shall be a maximum limit of 25 per cent of the in-class credits of any program for inward transfer of credit except in the case of approved exchange programs.

Credit transfer in the case of students who transfer registration from approved institutions other than Goa University to Goa University shall be done on a case to case basis by the respective Faculty Board.

The Faculty Board under which the program is offered shall decide the equivalence of courses and credits for those students of BBA, PGDM and MBA who have undergone the programs under the previous Ordinances but have backlogs to obtain a pass.

- OB-27. 6.12.1** Credits and grades obtained by a student shall be transferred to another institution

on request from the institution as well as from the student.

- OB-27. 6.13** Normally, grades or grade points shall not be converted to marks, class, distinctions, etc. In exceptional cases, where an employer or an entity insists on specifying equivalent marks or such classifications, the following scheme shall be used.
 Equivalent Marks = Grade Point Average multiplied by 10.
 Grade A: Distinction
 Grade B: First Class
 Grade C and Grade D: Second Class
 Grade F: Failed

- OB-27. 6.14** Ambiguities and interpretation requirements arising, if any, from this Ordinance shall be resolved by the Board of Studies.

OB- 29.3 Instructional Scheme

1. Course: Master of Technology (M.Tech.) Degree program is based on a system of integrated units called courses. Each course shall mean one paper.
2. Course Credit: One credit shall be evaluated for 25 marks. Four credit courses shall be of 100 marks. One credit is equivalent to one contact hour per week. The dissertation shall carry 16 credits.

3. Cumulative Credits: The sum total of all the credits of all the courses taken in a semester.
4. Contact Hours: A 4 credit course shall have a minimum of 45 contact hours, with 4 contact hours per week, which shall comprise of Lecture hours, Tutorial hours and Laboratory hours.
5. Instructor-in-Charge: Each course may have one or more instructors teaching the course. One of these is to be appointed as Instructor-in-charge.
6. Course Coordinator: In case of courses taught by Visiting Faculty, one faculty member from the department shall be associated with the course as Course Coordinator.
7. Course File: For each course taught, a file shall be maintained by the Instructor-in-charge comprising of course plan, reading/teaching material used in class, assignments, question papers, answer papers, student feedback, student attendance record along with final evaluation and grading.
8. **(effective from 2nd March, 2015)** Academic Audit Committee : The constitution and functions of the Academic Audit Committee (AAC) shall be as per the provisions specified under Ordinance OA-18.9.

OB-29.4 Scheme of Evaluation

1. There shall be both an in-semester element and an end-semester element in the evaluation of the performance of candidates. The in-semester evaluations shall be 60% and end-semester evaluation shall be of 40%
2. In in-semester evaluation, at least 40% evaluation shall be graded through one or more class tests. The remaining could be evaluated through quizzes, assignments etc.
3. The end-semester evaluation shall consist of an 'end-semester' examination of 40% evaluation conducted by the department. A candidate is eligible to appear for the end-semester examination if she/he has a minimum of 75% attendance.
4. For a course with lab component, the assessment will be continuous and in-semester evaluation consisting of lab experiments, assignments etc. as decided by the Instructor-in-Charge
5. Final grades for the course would be awarded by the Instructor-in-charge/course co-ordinator taking into account the total performance.
6. There shall be no revaluation. The students can make an appeal to the Chairman Departmental Council in case of any discrepancies in evaluation. The Chairman shall refer the matter to the Academic Audit Committee. The Academic Audit Committee shall also function as the Grievance Redressal Committee for the Programme.

7. For each course taken by a candidate, a letter grade is assigned based on the performance in all assessments. These grades are defined as:

AA, AB, BB, BC, CC, CD, DD, EE, II and FF

8. Each grade not only indicates a qualitative assessment of the student's performance but also carries an equivalent number called the grade point.

The grade points corresponding to different letter grades are defined below:

Letter Grade	Grade point	Letter Grade	Grade point
AA	10	CD	5
AB	9	DD	4
BB	8	EE	0
BC	7	II	0
CC	6	FF	0

9. A candidate passes the courses if he/she gets any grades in the range AA to DD.
1. The letter grade EE and the letter grade II makes the candidate eligible to take a supplementary examination in that course.
 2. The letter grade II is given to a candidate on account of absence from the end-semester examination for valid reason.
 3. The letter grade EE is given to a candidate on account of poor performance in the end semester examination.
 4. The letter grade EE and II are not awarded in supplementary examination
 5. Supplementary Examination shall be held at the beginning of every semester.

10. A candidate who fails in the supplementary examination is awarded FF grade and has to repeat the entire course. The candidate who fails to appear for the supplementary examination or remains absent is awarded FF and has to repeat the entire course
11. Candidate who fails in the Seminar or Dissertation may be allowed to re-submit the seminar report/ dissertation after incorporating suitable modifications under the guidance of the teacher.
12. A student shall be considered to have passed a course at first attempt, provided he /she passes with a letter grade of DD or better, at the regular examination.

In addition to the above, a student getting a letter grade of II at the regular examination and subsequently passing the course at the supplementary examination with letter grade of DD or better, will be considered to have passed the course at first attempt. However a candidate getting a letter grade of EE at the regular examination shall be deemed to get letter grade DD in the supplementary examination, if successful.

All other cases would be treated as second attempts.

OB-29.5 Dissertation

The candidate shall be evaluated for research carried out in the 3rd & 4th semester. The evaluation shall consist of two Research Progress Seminars, Dissertation and Viva.

1. The Departmental Council shall decide at the beginning of the academic year the modalities relating to the dissertations.
2. Topics for dissertations shall be finalized before the end of the first/second semester.
3. The Departmental Council shall decide the number of candidates that a teacher can guide for the dissertation.
4. Once the candidate decides on the topic of research, he/she shall apply in the prescribed form to the Head of the Department through the proposed guide and co-guide, as the case may be, under whose supervision he/she proposes to do research. A write-up of up to 1000 words incorporating the following points shall be enclosed with the application:
 - a) Title of proposed research.
 - b) Historical background and its present relevance
 - c) Research-aims and objectives
5. For each candidate working on the dissertation topic, a Dissertation Research Committee (DRC) shall be constituted to assess the progress of the candidate. The committee shall evaluate the progress of the candidate through Research Progress Seminar(s) for not less than 30 minutes.

The composition of the DRC will be as follows:

- a) GuideConvener
- b) Co-guide, if applicable Member
- c) Two Subject Experts..... Member

6. The Subject Experts shall be nominated by the Departmental Council in consultation with the research guide. Only on obtaining pass grade in both the Research Progress Seminars, the candidate shall be allowed to write the dissertation.
7. At the time of submission of dissertation, the candidate shall declare, in the prescribed proforma, that the dissertation is his own work and that all the sources used by him/her are duly acknowledged.
8. The guiding teacher shall certify, in the prescribed proforma, that the dissertation is an original work of the candidate completed under his/her supervision.
9. Candidate shall submit the dissertations to the Head of the Department through the guiding teacher at the end of the fourth semester. However, he/she shall be permitted to submit the dissertation any time thereafter, upto a maximum period of four years from the initial registration.
10. Every candidate shall submit three copies of the dissertation to the Department in the prescribed format as under:

The size of paper: A4 (approximately 29 cm x 21 cms) except for drawings, graphs and maps, on which no restriction is placed. A margin of 2.5 cm. is to be kept on the left hand side. The front cover of the dissertation, bound in a standardized form, should contain the title of the dissertation, degree, date and name of the student concerned. The dissertation should be neatly typed in double space and only on one side of the paper.

11. The dissertation shall be evaluated as follows:
 1. The dissertation shall be assessed by an external examiner to be appointed from the panel of examiners approved according to the University Ordinance OB-4.
 2. On acceptance of the dissertation by the external examiner, a viva shall be jointly conducted by guide/supervisor and the external examiner. The presentation by the candidate shall be made before the Departmental Council members and the students for not less than 30 minutes.
 3. A candidate who fails in the dissertation may be allowed to re-submit the dissertation after incorporating suitable modifications recommended by the examiner, under the guidance of the teacher.

OB-29.6 Performance Indices

1. Semester Performance Index (SPI):

The performance of a student in a semester is indicated by a number called SPI. The SPI is the weighted average of the grade points obtained in all the courses during the semester. For example, with courses in a semester, having credits C1, C2, C3, C4 and C5 and the grade points in the semester being g1, g2, g3, g4 and g5 respectively then the SPI is equal to:

$$\text{SPI} = \frac{\sum_{i=1}^5 C_i g_i}{\sum_{i=1}^5 C_i}$$

The SPI is calculated to two decimal places

2. Cumulative Performance Index (CPI)

The overall performance of a student for the entire programme is obtained by calculating a number called CPI. The CPI is the weighted average of the grade points obtained in all the courses for the programme. The CPI is also calculated to two decimal places.

OB-29.7 Award of class

The class for Master of Technology (M.Tech) degree programme will be awarded according to following scheme

CPI	Class
≥ 8.50	First Class with Distinction
$6.50 \leq x < 8.50$	First Class
$5.00 \leq x < 6.50$	Second Class
$4.00 \leq x < 5.00$	Pass Class

There is no provision for gracing in the individual paper.

Percentage equivalent of CPI is approximately given by the formula

$$\text{Percentage} = 10 * \text{CPI} - 5.0$$

Any item not covered by the programme specific Ordinances shall be governed by the University rules/regulations/ordinances in force.
