4. **Students currently in final year are also allowed to register.**

The online application for Under-Graduate Admission 2025-26 is a three-step process as follows:

Step1: New User Registration

1. New User Registration is a one-time registration process. A student shall register himself/herself only once on the admission portal.
2. Student should have a valid email id as well as mobile number to start the one-time registration process. If a student does not have a valid email id, then he/she has to create one before starting with the new user registration.
3. To begin with the registration process, click on '**NEW REGISTRATION**' where student shall enter valid email id, mobile number and other details in the registration form and click on register to Activate the Account.

Fill up the registration form with the valid details

4. On successful registration, the student will immediately receive an OTP on the registered email address or mobile number for verification providing the student's login credentials for future use. The account should be verified within 15 minutes. It may be possible that the student's login credentials may be delivered in the email spam box if not in the inbox for the first time.

5. After verification, student will be directed to the login page where he/she can login using the credentials and proceed to fill the online application form.
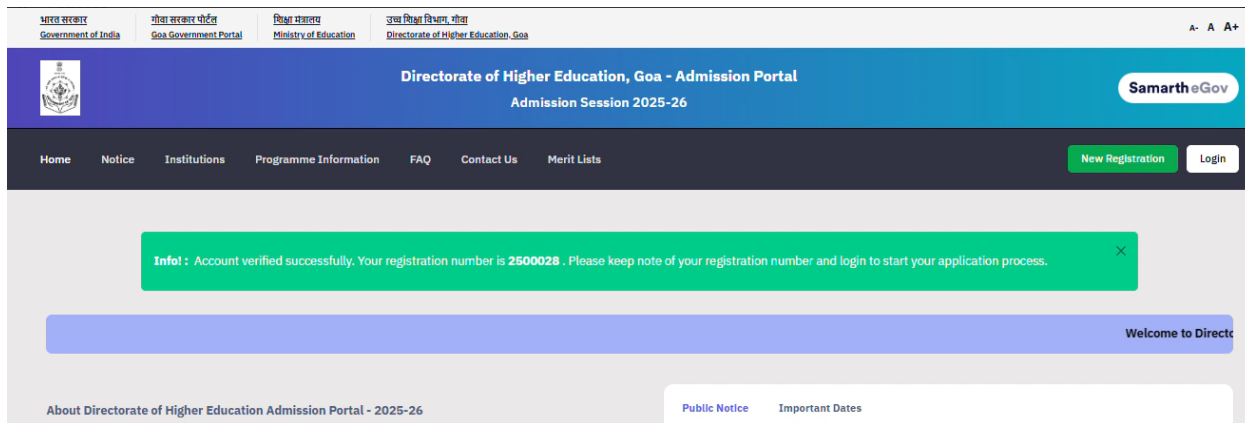

Step2: OnlineApplication Form

On successful login, student will click on **Dashboard** button followed by **Complete Profile** to complete the student profile where he/she will fill all personal details
